

# GM Vehicle Calibration Information

<b>VIN:</b>	1GCHG35U961251372
<b>Controller:</b>	PCM/VCM Powertrain/Vehicle Control Module
<b>Function:</b>	Programming

## Calibration History for: **Operating system**

<b>Part Number</b>	<b>CVN</b>	<b>Bulletin #</b>	<b>Description</b>
12613246	0000E1F2	-	New software with diagnostic enhancement for DTC P2108. Replaces 12606807 CVN 000088F3

## Calibration History for: **Engine**

<b>Part Number</b>	<b>CVN</b>	<b>Bulletin #</b>	<b>Description</b>
12606813	0000DB92	-	Includes garage shift improvements to prevent transmission forward clutch failures, diagnostic enhancements for P0711 on CNG vehicles, diagnostic enhancements for fuel trim DTC's, and improvements to estimated fuel composition after refueling.
12604581	00000500	-	New calibration to address post oxygen sensor heater delay.
12588696	0000DEF9	-	Engine calibration

## Calibration History for: **Engine diagnostic**

<b>Part Number</b>	<b>CVN</b>	<b>Bulletin #</b>	<b>Description</b>
12588710	0000693F	-	Engine diagnostic calibration

## Calibration History for: **Transmission**

<b>Part Number</b>	<b>CVN</b>	<b>Bulletin #</b>	<b>Description</b>
12588721	00002468	-	Transmission Calibration

Calibration History for: **Diagnostic**

Part Number	CVN	Bulletin #	Description
12606821	000048CD	-	Includes garage shift improvements to prevent transmission forward clutch failures, diagnostic enhancements for P0711 on CNG vehicles, diagnostic enhancements for fuel trim DTC's, and improvements to estimated fuel composition after refueling.
12588728	00007ACF	-	Transmission Diagnostic

Calibration History for: **Fuel system**

Part Number	CVN	Bulletin #	Description
12588729	00007198	-	Fuel system calibration

Calibration History for: **System**

Part Number	CVN	Bulletin #	Description
12588734	00005CFD	-	System calibration

Calibration History for: **Speedometer**

Part Number	CVN	Bulletin #	Description
12606832	00006FE3	-	Includes garage shift improvements to prevent transmission forward clutch failures, diagnostic enhancements for P0711 on CNG vehicles, diagnostic enhancements for fuel trim DTC's, and improvements to estimated fuel composition after refueling.
12588748	00004BC6	-	Speedometer calibration
